Parker Moving Bulk Station to Rt. 45-145 Triangle

I THOUGHT the raspberries, or should I spell it razberries, would be over when the World Series ended.

But they're not. I have raspberries right before me. Not canned raspberries, not raspberry jam, not imported raspberries. Not imported unless you call bringing 'em in from four and a half miles west of town importing them.

The raspberries are fresh, ripe ones, on a branch. They were brought into the Register office yesterday morning by Mr. and Mrs. Louis Schwartz, who live west of Harrisburg on Route 13. They reported that their bushes at the present time had the branch of ripe ones brought to town and a branch containing green ones, still on the plants.

The normal supply came back the last part of June and the first part of July, but with warm weather still with us most of the time, the berries just had to come out again.

LOOKING AROUND: The Parker Oil Co. is moving its bulk station from near the Gaskins Lumber Co. to the area behind the Phillips Service station in the triangle between Routes 45 and 145 just south of town.

Two 12,000 gallon tanks already are up and one more 12,000 gallon tank and a couple with 20,000 gallon capacity are slated to be set up soon. There will be three tanks

Miss Joan Seright Reigns as Homecoming Queen at HTHS

Election is Announced at Big Pep Rally

Miss Joan Seright will reign as the 1956 Homecoming Queen of Harrisburg Township high school. Miss Seright's election to the honor by members of the Harrisburg Bull Dog football team was announced by Coach Lawrence Calufetti at a big pep rally held last night at Taylor Field.

The daughter of Mrs. Catherine Seright and the late Morris E. Seright, the winner was one of four senior candidates who had been selected by the Senior class. The others, who were introduced last night along with the winner, were Judy Franks, Pat Hodson and Sandra Lasseter.

Also introduced were the three attendants, elected by their respective classes. They were Janet Tanner, junior; Linda Skaggs, sophomore; and Mary Gray, freshman.

Parade This Afternoon

Miss Seright will be crowned by James Cummins, captain of the football team, at the Homecoming Dance which follows tonight's football game against Centralia. Game time is 7:30.

Festivities continue this afternoon with the annual Homecoming parade at four o'clock.

Last night's pep rally, attended by several hundred students and other fans, who showed real enthusiasm, was started off with an inspirational talk by Principal Eltis F. Henson. He urged the students to support the team, not to be just fair-weather friends.

Coach Calufetti pointed out that his squad is the smallest both in size and in number since he has been at Harrisburg. It also is the most inexperienced with only five seniors among the 23 squad members, he pointed out. There are 13 juniors and four sophomores on the varsity.

Players Introduced
However, Calufetti stated, he believed his club was better than it

has shown so far this year and added that if the boys showed lots of fight, they might "give Centralia a fit" tomorrow night. Centralia probably is the best team in southern Illinois this year.

Calufetti introduced each of his players.

Cheer leaders led yells around the bonfire following the talks. The pep meeting started with a parade from the square to Taylor Field starting at 6:30. All the football players rode the old fire truck, which had its siren moaning low. There followed an impromptu band, snake-dancing students and automobiles.

At tonight's Homecoming Queen crowning, Queen Joan's court consists of the three other queen candidates and the class attendants. Miss Tanner will be escorted by Michael Stone, Miss Hodson by Jim Cummins, Miss Lasseter by Ben Fulkerson, Miss Franks by Trevor Whiteside and the Queen by Charles Ford.

The color guard will escort the royal court to the stage of the auditorium. There Jim Cummins will accept the scepter and crown from Miss Gray and Miss Skaggs for the crowning.

After the coronation the K-Nines, the HTHS dance band, will play for the Queen's Ball.

Marine Dies During Training

MIAMI (AP)—A Miami Negro woman, informed her 18-year-old son had died of a heart attack during physical training at Parris Island, S. C., Marine base, said today "they killed my boy."

Mrs. Thomas Dillard said she was notified Thursday night that her son, Thomas Dillard Jr., who had been in the Marine Corps three months, had died during physical training.

"He never had any heart trouble. He was never sick but twice in his life," the mother said. "They killed my boy."

Mrs. Dillard, whose husband is employed by the county, said her son graduated from high school here in June and enlisted this summer in the Marines.

She said she received a letter from her son Saturday saying he was in the base hospital with pneumonia.

"The next thing I heard was this telegram saying he died in physical training," she cried.

The Marine Corps said the youth collapsed while undergoing routine physical training with his platoon and was rushed to a dispensary where he was pronounced dead half an hour later.

Loses Second Hand To Corn Picker

GRIDLEY, Ill. (AP)—Emil Finck, 64, lost his right hand to a corn picker slightly more than 16 years after his other hand was chopped off by a picker.

Finck remained trapped four hours Thursday until his daughter returned from school to free him. He lost his other hand Oct. 6, 1940.

To Celebrate 10th Anniversary of Raleigh Methodist Church Sunday

The tenth anniversary of the Raleigh Methodist church will be observed Sunday, Oct. 14 and three former pastors will return to participate in the special worship services.

The following history of the church was made available by the church historian:

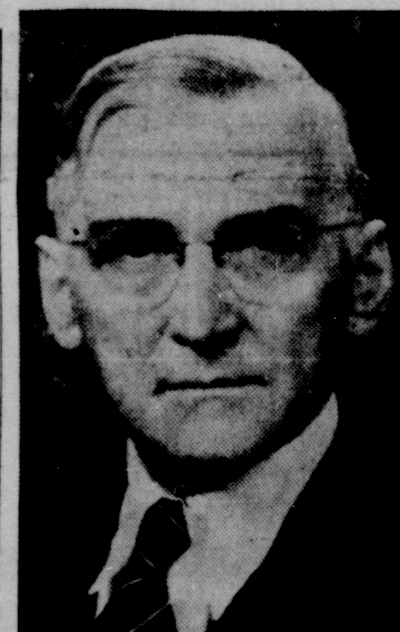

"The Raleigh Methodist church was organized in January, 1946, by Rev. E. O. Allen, the conference evangelist. Previous to this time there had been a complete community survey and a two weeks' revival meeting held in the old bank building. There were only three members on the day of organizing, but several others were added within the next few weeks.

"Rev. Bluford Dawson, who was then pastor at Galatia, also took the pastorate of the new church at Raleigh. The use of the Allen store building was secured for services while the present building was in the process of construction.

"The abandoned Methodist church at Pankeyville, near Harrisburg, was torn down and the lumber used in the construction of the new church. The lot on Jefferson street where the church now sits, was given as a donation by Mr. and Mrs. Elmer Gore.

"The services for the laying of the cornerstone was held in October of 1946. About 350 people, including 12 ministers, were present for these services. Rev. Paul B. Brown, then district superintendent, presided at this service and Rev. Earl Barton brought the sermon.

"When the basement was completed, services were held there while the auditorium was being finished. The service of opening the Church for worship was held Aug.

ust 17, 1947. The church was completed but an indebtedness bore heavily upon the church. From that time until now, the church has worked constantly to become debt-free.

"Various means of money raising have been used, as well as offerings and gifts from members and friends. For the past two summers the church has had a garden, the produce sold to pay on the indebtedness. On two different occasions, the members participated in a "talent" program, in which each took a certain amount of money and attempted to make it grow. In October, 1950, a final campaign was launched to see the last \$1,400.00 paid off by Christmas. This goal was reached at the close of the

59 Americans Are Missing Aboard Transport Plane

LONDON (AP)—U. S. search planes converged today on an area 150 miles north of the Azores where repeated SOS signals raised hope there may be survivors among the 59 Americans missing aboard a Military Air Transport Service plane.

An Air Force spokesman said the signals appeared to be of the same type transmitted for survival equipment carried by all

The Air Force said planes were streaking to the area from the Legens base, used as a mid-ocean stop on the flight from Britain to the United States. Trans World Airlines announced in Shannon it was sending three of its aircraft to join in the search.

Area Visibility Good

The weather in the area was good with scattered to broken clouds at 2,000 feet and visibility of ten miles.

The MATS plane disappeared Thursday on a flight from Lakenheath Air Base in England to the Azores en route to the United States. It carried a nine-man Navy crew and 50 Air Force officers and men.

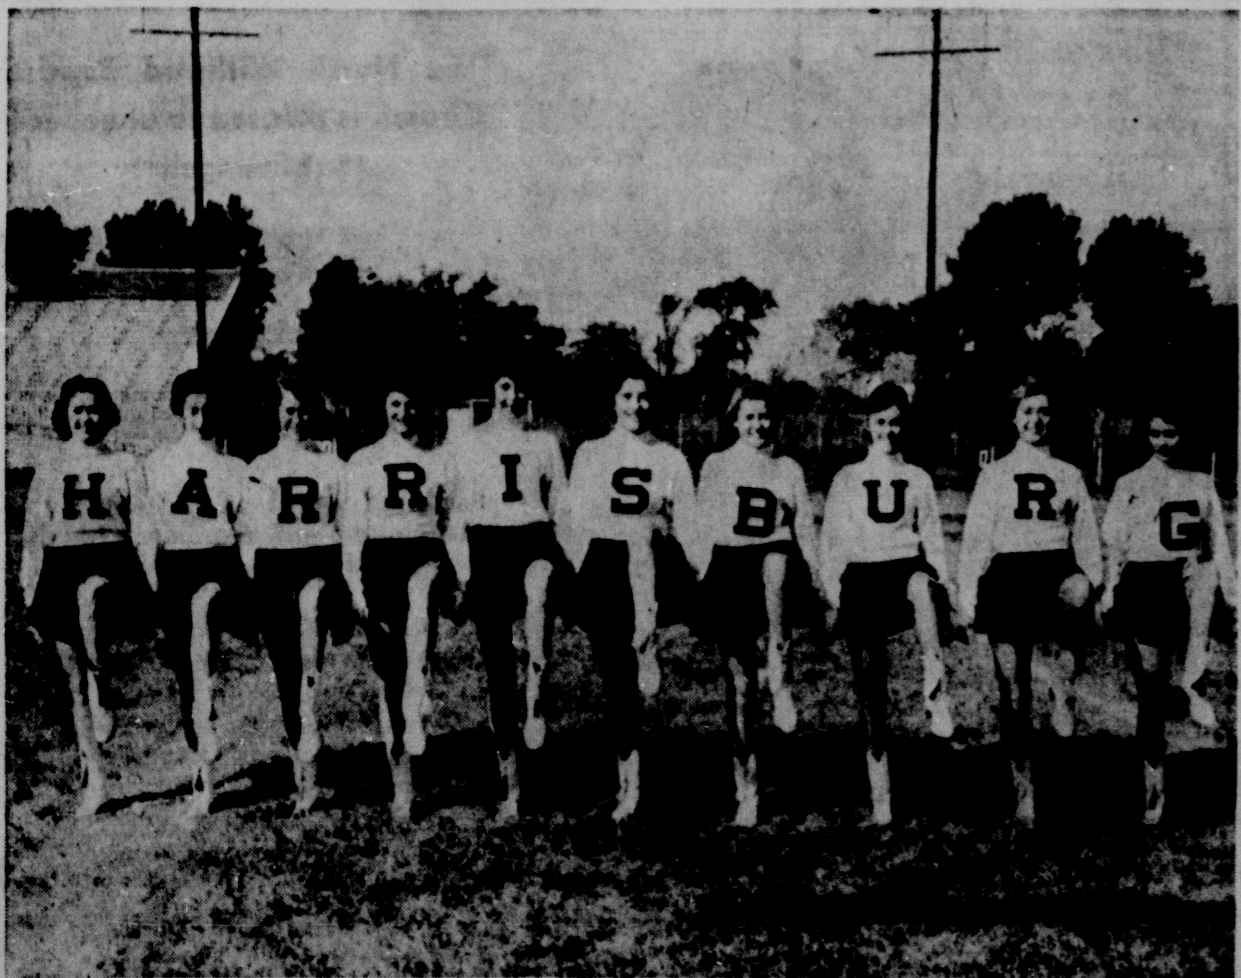

The first distress signal was picked up by Pan American passenger flight No. 70 flying from London to New York. Within seconds the Legens Air Force base picked up a similar "definite" distress signal.

The Air Force spokesman said the two signals appeared to be from the same position. A "fix" gave the position as roughly 150 miles north of the Portuguese islands which lie off the coast of Morocco.

SURPRISE! Santa Claus visited Harrisburg last night, arriving in both the traditional and modern manner. The grand old fellow made the trip with the traditional reindeer, but instead of pulling a sleigh the reindeer were driving a brand new, red convertible. In the midst of all the excitement uptown Thursday night—with shoppers taking advantage of the late store hours and adults joining with the high school students for the ITHS Homecoming pep meeting, up popped Santa, to completely surprise the adults and awe the youngsters. The automobile transporting Santa carried a sign stating "Watch for Christmas In October." The little girl at right apparently is both impressed and interested. (Daily Register Staff Photo)

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says: Election Year Brings Biggest Mailing Of Senate Propaganda; Operation "Pacify Farmers" Costs Taxpayers \$200,000; Old "Citizens For Eisenhower Shunted By GOP Right-wingers.

WASHINGTON. — Those who pass by the "folding room" in the Senate office building of late have seen mountains of mail piled up outside. Week by week the mail has mounted. Every day post office trucks eat into the massive pile, but every day the human beavers inside the folding room replenish the pile outside.

The activity of the folding room has overflowed into room 155 of the Senate office building, and also into room 154. Still the work goes on. It is the greatest mailing of Senate propaganda ever put

in the history of the U. S. Senate—a Senate which has seen a lot of mailings, by oratorical-minded senators who want their speeches read back home.

Careful inquiry regarding this record mailing reveals some interesting facts. Last July 27 Sen. Tom Martin, Republican of Iowa, gave a speech in defense of Secretary Benson and the Eisenhower administration on the farm problem. Nobody paid too much attention to the speech at the time. But apparently that speech was part of a carefully calculated plan to swamp the farm belt with literature just before election and that is the reason for the unprecedented activity in the Senate folding room today.

For a total of 4,000,000 reprints of Senator Martin's speech is being mailed out to farmers.

This is a lot of mail. To handle it, the folding room, which is the name given to the machinery set up for sending out senators' speeches, has gone to a lot of extra expense.

Extra sealing machines have been purchased. Forty extra employees have been hired. Extra labor has been drafted from the government printing office. Every possible piece of equipment is being used on the job. The operation has been going on a 24-hour basis, with many employees paid time-and-a-half and double time.

TAXPAYERS FOOT COST Spreading out into overflow space, 15 women have been working in room 155 folding copies of Senator Martin's speech and stuffing them into envelopes at \$1.61 an hour. In room 154 two men work in three-hour shifts around the clock bagging envelopes, also at \$1.61 an hour. They are paid not by Senator Martin or the Republican National committee, but by all the taxpayers.

Careful checking as to the total cost of operation "Pacify The Farmers" shows that it will cost the taxpayers \$200,000. This, of course, comes out of the pockets of nonfarmers as well as farmers and out of the pockets of Democrats as well as Republicans. It is one of the biggest pieces of free political propaganda Len Hall's astute workers have been able to put across.

On Senator Martin's speech is the notation: "Not printed at government expense." Strictly speaking, this is true. But it is highly misleading. While the speech itself is printed at the very cheap government rate and is paid for by the GOP, it's afterward that much of the cost begins.

Stuffing and sealing the envelopes will cost around \$80,000. Then there's a postage bill of \$120,000. Though the speeches are mailed under Martin's frank, the Senate has to reimburse the post office for the postage. This is required under a new law demanded by Postmaster General Summerfield and passed by the Republican Congress. Summerfield got tired of having the post office socked with the free franking bill of congressmen and demanded that the post office be reimbursed. So the Senate will have to send Summerfield, who was former GOP national chairman, a check for \$120,000 to take care of the propaganda bill of the present GOP national chairman.

Note—A senator is permitted to mail out as many copies of a speech as he wishes, but few abuse the privilege by mailing outside their own state. Martin, however, is mailing to 13 states, many of them far from Iowa. Apparently worried over this out-of-Iowa use, Martin recently instructed the folding room to paste a label on the outside of the envelopes, giving the additional frank of the senator to whose state the pamphlets are address-

ed. This, however, only adds to the expense.

"CITIZENS" SIDE-LINED

All is not beer and skittles inside the Republican command. Like the Stevenson camp, it is experiencing dissension. It's not as stultifying, however, as the monkey wrenches thrown into Stevenson's strategy board by his watchful law partner, William Wirtz. Len Hall is not one to permit that kind of argument.

What's happening in the Republican camp is that Citizens for Eisenhower, which bore the real brunt of the campaign in 1952, has now been shunted to the side-lines. It goes in for bandwagons and barrage balloons, but its members aren't really on the inside any more.

This is partly the fault of the present Citizens for Eisenhower leadership, partly the fault of Chairman Hall, who just doesn't believe in this kind of folderol. Also he thinks some of the citizens are too liberal. They don't fit into his own right-wing Republican pattern.

As one Republican party-worker expressed it: "Len doesn't believe in fluff. His idea is to knock 'em on the head and get their vote."

Head of the citizens is likable, experienced Brigadier General John Reed Kilpatrick, former Yale football hero and operator of Madison Square Garden. While Kilpatrick is an expert at the circus technique of running the Garden, he lacks the political know-how to elect a President.

Richard Tobin, ex-New York Herald Tribune staffer and director of publicity, has confused a friendship with Jim Hagerty with a mandate to be a David Charney. The committee is adorned with a sprinkling of charming, serious-minded socialites and eager-beavers: Vivian Weyerhauser, daughter of the West Coast lumber baron, George Cheston, the Philadelphia main-liner; and John Ames, Chicago broker. They work hard, but the old pros of the Len Hall school don't take them seriously, at times even consider them a nuisance.

Practical Nurses School
Is Entertained At Hart Home
Mrs. Joseph M. Hart, assisted by a committee from the Harrisburg Woman's club, consisting of Mrs. L. B. Kimmel, Mrs. E. Bishop Hill and Mrs. Frank Gray, entertained the practical nurses class now in a second week of instruction.

Mrs. Shirley Oshel, R. N., the instructor, was ill with a chest cold and was unable to attend. However there were 14 ladies in the class. Each student introduced themselves, telling their reasons for taking this course of study.

It was quite evident the class is made up of a very fine group of sincerely interested and dedicated women who not only wish to benefit their own position in life but also to serve the community as well trained and competent nurses.

All spoke very highly of their instructors. They voiced special appreciation of the opportunity which has been given them by the people of this community in bringing the school to this southern part of the state.

The Harrisburg Woman's club, by a memorial gift to the school of the money given to the club by the will of the late Margaret Elder Taylor, was the first organization to make a sizable donation to this philanthropic project. Mrs. Hill, president of the Woman's club, made a short talk of welcome and expressed the best wishes of the club to each member of the class and for the continuation and growth of the school.

After playing games for an hour the group spent a few moments outside inspecting Mrs. Hart's rose garden and other items of interest at "The Elms." Refreshments of punch and cookies were served.

Mr. and Mrs. J. O. Slayden have just returned from a visit with their son and daughter-in-law, Mr. and Mrs. James Lee Slayden and son, Jimmie, of North Madison, Ind., where they witnessed the national boat race on the Ohio river at Madison. They also visited their son-in-law and daughter, Mr. and Mrs. J. D. Jones and daughter, Judy, in Louisville, Ky., where they had the pleasure of attending a Billy Graham meeting Tuesday night in the largest stadium in the United States, at the Kentucky state fair grounds. Attendance Tuesday night was over 14,000, and on Sunday 21,500 were present.

Mrs. K. A. Smith and daughters, Judy and Patsy, of Chicago are visiting her mother, Mrs. W. C. Locke, over the week-end. Mrs. Smith is the former Miss Virginia Locke.

Miss Ruth Ellen Richmond Jackie O. Futrell Exchange Wedding Vows

Miss Ruth Ellen Richmond, only daughter of Mr. and Mrs. Cicero Richmond of Norway, Ill., became the bride of Jackie O. Futrell, son of Mr. and Mrs. Orville Futrell of Harrisburg, Sept. 29 in the Reorganized Latter Day Saints church in Norway.

White gladioli and yellow chrysanthemums were used on the altar. The double ring ceremony was performed by Elder Robert Anderson, pastor of the church.

Mrs. Victor Fewell, aunt of the bride, played the processional and recessional and accompanied Earl Beals who sang "Because" and "The Lord's Prayer."

Escorted to the altar by her father who gave her in marriage the bride was attired in a floor length gown of chintilly lace over tulle and bridal satin. The molded bodice featured a tucked tulle neckline, portrait collar and long sleeves. The wide bell skirt was fashioned of panels of lace and tulle.

Her veil of imported illusion was fastened to a pillbox of crystal-lette and lace and she carried a cascade bouquet of red rose buds centered with a white orchid. Her jewelry was a strand of pearls and tear drop earrings, gifts of the bridegroom.

Miss Lois McLaughlin, a close friend of the bride, was maid of honor. She wore a mist green taffeta and yellow tulle gown with scooped neckline, fitted bodice and full ballerina skirt. Her head-dress was a yellow velvet crown with yellow tulle and blusher veil. She carried a colonial bouquet of yellow mums.

Miss Marjorie Fewell and Miss Verna Lou Richmond, cousins of the bride, served as bridesmaids and wore gowns and headresses identical to the maid of honor.

Miss Betty Fewell, another cousin, was flower girl and was attired similar to the other attendants except she carried a basket of yellow mum petals. Roger Fewell, another cousin, was ring bearer.

Robert Fewell, uncle of the bride, served as best man. Grooms-men were Larry Dean Futrell, brother of the bridegroom, Ronald Richmond, brother of the bride, and ushers were Thomas Lowe and William Greenrod.

The bride's mother selected a gown of silver gray nylon lace over pink taffeta with pink and black accessories and a corsage of deep pink asters. The mother of the bridegroom wore a navy and white print with beige linen duster, navy accessories and pink aster corsage.

A reception was held for 175 guests in the church parlors. The bride table was covered with a white linen cloth and centered with a five-tiered wedding cake. Yellow and white mums were used about the room.

Assisting were Mrs. Thomas Lowe, Mrs. Herman Schupp, Mrs. Donald Richmond, Mrs. Irving Mahoney, Mrs. Carl Fewell, Mrs. Victor Fewell, Alda Westerland, Audrey McLaughlin, Mrs. Robert Fewell, Mrs. William Fewell, Mrs. Kenneth Stanford, Miss Sharon Fruland, Judy Mulvaney and Ruth McLennon.

For her wedding trip to the Smoky mountains and southern states the bride chose a blue and white suit with red accessories and white orchid corsage. They will make their home in an apartment in Norway.

The bride graduated from the Norway grade and Serena high schools and is employed at the Western Electric plant a Montgomery. The bridegroom graduated from the Harrisburg grade schools and Harrisburg Township high school and is employed with Steners Manufacturing Co. at Aurora.

Guests were from Hammond, Ind., Aurora, Kankakee, Peru, Rockford, Kingston, Sheridan, Marseilles, Ottawa, Minonk, Dana, Seneca, Sandwich, Norway, Harrisburg, and Manteno.

In Memoriam
In loving memory of Eddie Holway who passed away two years ago today:
There is someone who misses you sadly,
And finds time short since you went.
She is someone who thinks of you always
And tries to be brave and content.
Sweet to remember you, who once was here,
And who though absent, is just as dear.
'Tis sad but true we wonder why,
The best are always the first to die.
Sadly missed by his wife, Essie Hollaway. 90-1

FBI Aids Hunt For Woman Who Kidnaped Child

NEW YORK — The FBI aided police today in the hunt for a heavy-set woman who posed as the close friend of a mother of a six-week-old girl in kidnaping the child from a baby sitter.

The stranger, a short, dark Negro about 40 years old, chatted amiably Thursday with the baby sitter, Mrs. Clarence Hall, before offering to take tiny Joanne Wells and her brother, Richard, two, out for some air and a good time.

Mrs. Hall, convinced that the visitor knew the mother, Mrs. Gloria Telemague Wells, 24, let the woman leave with the baby. The boy remained with Mrs. Hall, crying and avoiding the stranger. The baby sitter did not know she had permitted the baby to be taken by a stranger until Mrs. Wells, a nurse's aid at St. Mary's Hospital, Brooklyn, came for her children.

The baby was taken from Mrs. Hall's Brooklyn apartment where Mrs. Wells had left her children. Mrs. Hall said she saw no harm in letting the visitor take the baby out for a short time since she gave every indication of being what she claimed to be, a friend of Mrs. Wells.

Mrs. Wells went immediately to the police station in the Bedford-Stuyvesant section of Brooklyn. With her was her estranged husband, Sherman Wells, 38, a machine operator, whom she met on the street on the way to Mrs. Hall's apartment.

Police said no ransom has been demanded and no note has been found.

H-Bomb Tests Becoming Key Election Issue

Stevenson Blasts
Away; Ike to Hold TV
Conference Tonight

By United Press

The question of halting H-bomb tests became one of the key election issues today.

Adlai E. Stevenson said Thursday night he will keep on fighting for a "safe way" to end the tests despite President Eisenhower's announcement that he will not discuss the subject further.

"I understand the President said today that he had said his last word on testing H-bombs and military manpower requirements," Stevenson said at Oakland, Calif.

"Well, I haven't said mine and neither, my friends, have the people of this country—who have the only last word."

Tries New Technique

The President will try tonight a new campaign technique—an unrehearsed nationally televised news conference with about 100 "Citizens for Eisenhower" asking the questions.

Vice President Richard M. Nixon and Democratic vice presidential nominee Sen. Estes Kefauver vied for the farm vote in barnstorming tours of the Midwest.

In a speech prepared for the National Mechanical Compacting Contest at Columbus Neb., Nixon said the Democratic farm program consists of get-rich-quick promises which would block the recent rise in farm income.

Nixon said "it is time to call a spade a spade" and called the Democratic program "a cruel hoax for the nation's farmers."

Kefauver made his sharpest attack against the President in a speech prepared for delivery at Columbus only a few hours after Nixon spoke.

Estes Attacks Ike

"I sometimes wonder whether there is one kind of political morality which is different than the morality we demand in our daily lives," he said. "There is no clearer record in existence than the record of the betrayal of the American farmer by Dwight D. Eisenhower."

Stevenson, in announcing that he will continue to call for ending the H-bomb tests, was cheered wildly in his Oakland address. He said he will carry his fight to the nation Monday night in a nationwide address from Chicago.

Stevenson centered his attack on Mr. Eisenhower's statement at his press conference Thursday that he said his last word on the tests and the draft.

Marine Order Infuriates Wives

ATSUGI, Japan (AP)—Dozens of infuriated wives of U. S. Marines here said today they will refuse to obey a directive of the U. S. 1st Marine Air Wing ordering them to return to the United States.

Some 500 dependents of Marine air wing personnel were told by Wing Commander Brig. Gen. David F. O'Neill last week that they must be out of Japan within 30 days because of "Marine Corps policy." The wives had paid their own travel expenses to Japan to be near their husbands.

Cairo Begins Door-to-Door Census

CAIRO, Ill. (AP)—Bells, sirens and aerial bombs in a midnight demonstration here, signaled the start of a door-to-door census. The census is the first major project of a long-term community development program.

Some 200 volunteer enumerators began the population count this morning after riding in a motorcade through the city. Cairo had a population of more than 12,000 in 1950.

District 1 Retail Clerks Endorse Democrat Ticket

District 1 of the Retail Clerks International association, meeting in convention at the St. Nicholas hotel in Springfield Sunday, voted to endorse the Democratic state and national tickets, Guy Price, newly-elected district president, said today.

The district is composed of 37 local unions in the south half of the state.

David Mallett, Democratic nominee for secretary of state, addressed the convention.

Price said that the Illinois State Federation of Labor Council's endorsement of William G. Stratton for re-election as governor does not mean that all organized labor throughout the state is backing Stratton.

The convention voted to have its April meeting at Mt. Vernon.

Girl is Attacked By Bear and Lion

PERU, Ind. (AP)—Sharon Kay Wilson, 16, was reported recovering satisfactorily at Dukes Memorial Hospital from an attack by a large black bear and a young lion.

Sharon was thrown to the ground Thursday when the bear, reached out of a cage and grabbed her pony tail at a small zoo operated by her grandfather, Jack Stuber, 10 miles northwest of here.

The bear clawed her face and bit off her left thumb before help arrived. When she was on the ground a lion reached out through the bars of another cage and clawed her legs.

Rites Saturday for Accident Victim

Funeral services for Guy Hale Jr., former resident of Karbers Ridge who was killed in New York City Monday night after he got off a bus, will be Saturday at 2 p. m. at the Marks funeral home in Wood River. Burial will be in the Val Halla cemetery in Wood River.

Negro Legislator Supports Ike

WASHINGTON (AP)—Negro Rep. Adam Clayton Powell (D-N.Y.), a leader of the House civil rights bloc, has thrown his support to President Eisenhower in a surprise election-year move.

Powell announced after a 25-minute conference with Mr. Eisenhower that he will support Mr. Eisenhower for reelection because of his stand on civil rights and because of his great prestige among the Western powers of the free world.

Powell, one of three Negro House members, supported Adlai E. Stevenson for president in 1952.

Chairman Emanuel Celler of the House Judiciary Committee, a fellow New York Democrat and strong civil rights advocate, called Powell a "turncoat." He said Powell "should be deprived of his seniority rights in the House as a Democrat."

Celler said in a statement that when Powell's civil rights bill was called up for debate in the House the New York congressman "went to Europe on a pleasure jaunt."

Rep. Charles C. Diggs (D-Mich.) also a Negro, said in Detroit today he did not plan to join an "independent Democrats for Eisenhower" movement.

Britain Warns It Will Aid Jordan

LONDON (AP)—Britain warned today it will go to Jordan's aid in the event of outright Israeli aggression on the Arab state.

A Foreign Office spokesman said that under the Anglo-Jordan treaty Britain had a direct obligation to come to Jordan's assistance in case of an attack.

Jordan and Israel have "been made aware that her majesty's government would fulfill their obligations under the Anglo-Jordan treaty," he said.

Thinking It Over

By Robert L. Dieffenbacher, D.D.
(Written for NEA Service)

Columbus Day is the anniversary of the discovery of America in 1492. Prior to that event most of the people then alive thought that there was little, if anything, new in the world to discover. Nearly everyone thought that it would be sheer folly to seek for anything beyond the limits of the world which had already been explored.

Now we know that there was many new lands and seas to be charted beyond the horizons of the fifteenth century. The geographical discoveries were to be dwarfed by the discoveries in the realm of physics, chemistry, psychology and sociology.

Every year, and almost every day since the first Columbus Day, there have been explorations and discoveries which have changed the course of history. Even today we know that there is much to be discovered beyond the mental and spiritual horizons of the twentieth century.

All of us, as individuals, can explore beyond the narrow confines of our lives, and discover God. He has a different place in the life of every person, because our experiences, our beliefs, and our needs are all different. Exploration always takes one into uncharted realms. Some folk have taken parallel courses, but the ways or the ends are always new to the explorer.

Let us set out to discover God for ourselves in spite of the discouraging advice of anyone who may feel that there is nothing new to discover.

Picking the Grid Winners

IN THE

Sports Parade

By OSCAR FRALEY
United Press Sports Writer

NEW YORK (AP) — Fraley's Pollies and the week end football "winners" — along with a backward look at the World Series. Game of the Week

Michigan over Army — The Cadets are unbeaten but this is not one of the better Army teams. The offensive power isn't as dynamic as usual and that bigger Wolverine line should take charge.

The East
Syracuse over West Virginia — Don Larsen was the greatest.

Dartmouth over Brown — It left you cold 'til the 6th.

Cornell over Harvard — Then you said "Hey, look!"

Yale over Columbia — And it got tighter on every pitch.

Also: Penn State over Holy Cross, Colgate over Rutgers, Delaware over Bucknell, Lafayette over Albright, Boston University over George Washington and Connecticut over Massachusetts.

The Midwest
Ohio State over Illinois — It's a shame to pan Don Newcombe.

Notre Dame over Purdue — It's just one of those things.

Wisconsin over Iowa — The Yankees feel they "own" him.

Michigan State over Indiana — Which is half the battering.

Also: Minnesota over Northwestern, Nebraska over Kansas State, Kansas over Iowa State, Detroit over Wichita, Missouri over North Dakota State, Boston College over Marquette, Cincinnati over Xavier and Dayton over Villanova.

The West
California over Oregon State — Yogi Berra is really relaxed.

Washington over Oregon — Nothing excites old Yogi.

UCLA over Washington State — Bill Skowron is a nail biter.

Stanford over San Jose — With all those muscles, too.

Also: Colorado over Colorado Aggies COP over Fresno State, Wyoming over New Mexico and Utah over Denver.

The South
Navy over Tulane — Bob Turley and Sal Maglie "wuz robbed."

SMU over Duke — Bullet Bob pitched a four-hitter and lost in 10.

TCU over Alabama — Sal got jobbed, too.

Georgia over North Carolina — Five hits, and hit with a perfect game.

Also: Mississippi over Vanderbilt, Georgia Tech over LSU, Miami over Maryland, Kentucky over Auburn, Clemson over Wake Forest, Tennessee over Chattanooga, Rice over Florida, VPI over W&M, VMI over Lehigh, Mississippi State over Trinity and South Carolina over Virginia.

The Southwest
Oklahoma over Texas — So them Dodgers is dead, too.

Baylor over Arkansas — It shouldn't happen to the Braves.

Texas Aggies over Houston — So they coined a phrase.

Oklahoma Aggies over Tulsa — "Wait'll next year."

Don Larsen Says He Will Gladly Settle for 16 or 18 Victories Next Year

NEW YORK (AP)—Don Larsen, the perfect game pitcher, said today he will "gladly settle for 16 or 18 victories next year."

Up to his ears in endorsements and a variety of other commitments, the hulking 27-year-old right hander headed today for Hollywood, Calif., where he has a television date during the week end.

"Everyone's expecting miracles from this no-windup idea," he said, before departing. "I think it's a good thing and naturally I'd like to win 20 next year but right now I'd gladly settle for 16 or 18."

"One guy I met asked me if I'm gonna stick with that no-windup stuff next season. I looked at him and said, 'What do you

Giants Sell Hearn to Phils

NEW YORK (AP) — Pitchers who can beat the Yankees in a World Series game are mighty scarce these days, but the New York Giants announced today they've sold such a man — Jim Hearn — to the Philadelphia Phils. Hearn, who won 17 games for the Giants in 1951 — his best year — and then trimmed the Yankees in the sixth game of the series, was peddled for an estimated \$35,000 after posting only a 5-11 record this year.

Dodgers Greet Newcombe and Leave for Japan

NEW YORK (AP)—Don Newcombe was welcomed back into the Brooklyn Dodger family today while Casey Stengel warned the New York Yankees will be back next year "stronger than ever."

The feeling "to forget the past and think of the future" was apparent everywhere as the Dodgers took off on their tour of Japan and the Yankees scattered for various parts of the country.

"We'll take it out on the Japs," quipped Capt. PeeWee Reese just before the Dodgers boarded their airliner at Idlewild Airport Thursday — and the other players quickly joined in the refrain. The players had expressed annoyance over the trip starting so soon after the World Series but Thursday they were looking forward to it.

The ill-starred Newcombe, who left the clubhouse shortly after he was knocked out in the fourth inning of the decisive 9-0 seventh game, rejoined the team at the airport after first paying a visit to Flatbush Magistrate's Court to answer charges of striking a fan after last Friday's second game. Newcombe's lawyer received a postponement of the case until Nov. 19.

The 240-pound pitcher, once again a World Series "goat," then drove to the airport and strode on to the field where he greeted his teammates with the remark, "Look out, boys, the Tiger is here!"

At Yankee Stadium, the 65-year-old Stengel, who plans to leave for his Glendale, Calif., home in the next few days, said "every last one" of his players "gave me a big thrill by the way they came back in the Series."

"And, I got faith," Stengel went on, "that they are gonna come back even stronger than ever next year. We got a lot of youngsters coming to our instructional school next February and I'll be mighty anxious to look at 'em."

CLEVELAND (AP) — Rory Calhoun, of White Plains, N. Y., and England's Johnny Sullivan, a pair of mauling middleweights, meet in a 10-round nationally - televised match tonight at the Cleveland Arena.

Calhoun, currently sixth-ranked contender, was an 8-5 choice to beat Sullivan and start another winning string. The 22-year-old son of an Atlanta minister suffered his first professional defeat

Aug. 29 at the hands of Spider Webb. The loss, a split decision, ended a string of 23 victories since Calhoun turned professional two years ago. Twelve of his victories were knockouts.
